

ECOASIS

Chilled Refreshment Merchandiser

New Opportunities and Environmental Solutions with Chilled, Filtered and Flavored Water

Delivering great tasting thirst quenchers in 7 to 12 oz portions the new Ecoasis is a single serve solution to your location's growing environmental concerns by offering more eco friendly low calorie cold beverages.

- Chilled water on demand with up to 3 flavored selections and variable mix ratios
- Advanced four stage filtration system eliminates odors and chlorine taste from plumbed water source and indicates when filter change is needed
- Energy efficient features including LED lighting, flash chilling and a filtration system that produces no waste water
- Eliminates bottled water delivery, storage and deposits
- iVend guaranteed delivery sensor ensures your customer receives their cup or their money back
- Use your own cup feature saves resources and cuts down on waste
- Hygienic & efficient (BIB) Bag in Box concentrates
- Environmentally friendly and efficient closed refrigeration systems
